

MEMORANDUM FOR: DDA

Harry,

It looks like some changes may be needed in [redacted] DDS&T badly wants to raise the [redacted] threshold between Class II and Class III systems. OC also informed Bill Grant that they would be coming in with some "comments." The DO is yet to be heard from.

I would have no objection to doubling the [redacted] threshold, but I don't think we should get involved in a major redo if broader concerns emerge from other organizations.

Will get together with DDS&T. Will discuss the whole package with you at our Friday meeting next week. In the meantime, I put a hold on [redacted]
